

Early Years Educator – Room Leader for 2 – 3 year olds.

Bloomsbury, Central London

Full-time, Permanent to start March 2020

Are you passionate about early years education, connecting inner city children to nature and encourage child led play? We are looking for a qualified early years practitioner to join our team.

We are a small nursery which boasts a magical and unique outdoor space for children in central London. (We only have 24 children a day when we are at full capacity; 8 in the little room and 16 in the big room.) We are looking for someone with a passion for connecting children to outdoor learning experiences, inspired by the ethos of Forest School education.

Please apply if ...

- You want to be outdoors as much as possible; it's not bad weather, it's bad clothing!
- You always prioritise the needs of the children.
- You want to work with like-minded people who recognise the importance of teaching children to care for one another and to care for nature.
- You want to facilitate learning experiences that set strong foundations for children to be confident learners and critical thinkers.
- You want to work with a positive and ambitious staff team who are continuously working together to assess and implement fun and alternative activities to further children's learning and development.
- You don't want to feel guilty about missing a gym class - our job keeps us active and fit, we love running our own dance sessions, gym sessions, music and movement sessions. We love playing outdoor games and going on trips.
- You probably aren't the best singer but you don't mind singing your heart out in front of a crowd!
- You don't mind drinking endless amounts of pretend tea every day and having to eat lots of playdough cake!
- You love reading stories to the children even though you will be interrupted at least twice per page!
- You absolutely love messy play and go home just as messy as the children!
- You really don't mind being silly and having fun!
- You aren't scared of bugs!
- Even you are surprised at the amount of patience you have!

Person Specification
